### New College & Career Ready Books

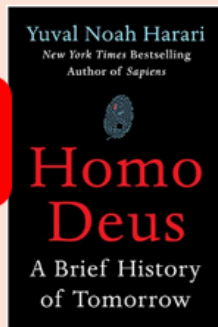

We've just renewed our college & career ready books. We've got Test Prep, College & College Admissions, and Career, Resume, & Interview tips books!

[Click to browse through the new test prep, college, and career books!](#)

New York Times Bestseller!

### Reading Rec'

Yuval Noah Harari, author of the critically acclaimed *New York Times* bestseller *Sapiens*, returns with an equally original, compelling and provocative book, turning his focus towards humanity's future, and our

## Research Project Season is starting!

Your librarian is available to teach your students research and information literacy skills!

Don't forget to schedule library & research time for your classes :)
